Assistant Principal

Michelle Simmons,

September 3, 2014

Dear Parents and Caregivers:

St. Tammany Parish Public Schools are adding additional resources to our district website for parents to use with our current math curriculum. These resources will be available for parents with students' kindergarten through sixth grade.

Resources will be added throughout the year as students' progress through the curriculum. The resources will include a Math Newsletter and/or PowerPoint. The resources, for each math unit, will allow parents to see how teachers are introducing math concepts in the classroom.

You can find these additional resources at [www.stpsb.org](http://www.stpsb.org), under the Parents Tab, on the Curriculum page.

If you have any questions about this information, please feel free to call me at (985)886-3273.

I appreciate your continued support of Fifth Ward Junior High School.

Sincerely,

Christopher R. Oufnac  
Principal
